

Jan. 4, 1971

Dear Vickie & Jim,

We got Vickie's letter today, and it sounds like you had a good time over the holidays, I would sure love to see New York too, and also a Broadway play. Does it seem hard to believe you have been married a year?

Mike & I just went over to another couple's house for New Year's Eve. It was a pretty calm evening, but we had a lot of fun. We played Twister which is a game for people

play which really gets
funny.

Mike & I just loved
Spanish Head, & stayed
an extra night there.
It was just like you
told us, hanging over
a cliff, and our view
of the ocean was just
fabulous. We want to
go back with Mom & Dad
sometime, maybe in the
summer.

I was surprised to
hear you hadn't had
more snow back there.
We have had a little,
but when we have to
drive a lot, I am glad
when it's dry. We have
all our things in Olympia.

Now, and are ready for
the session to start the 11th:

We have been living
here with Mum & Dad
for the last few weeks.
We've really been having
so much fun. It's good
that we all get along
so well. Daddy & Mike are
always talking about
politics & we play bridge
almost every night. We
have a jar which the
loser has to put in $\frac{1}{20}$ of
a point. When it builds
up a ways, we are all
going to go out to dinner
on it. So far, Mike & I
have put in the most money.

Well, Mum & I are
watching SPARTACUS, I better
end. I'll write later.
Love, Mary
